THEOPHANY

OF

OUR LORD

On a a sunny Tuesday, our parish celebrated the Feast of our Lords Theophany and Baptism in the river Jordan.

This Feast, after Our Lords Pascha and Nativity gives us one of the most important theological teachings of the Church.This is the manifestation of the **Holy Trinity.** After Christ receives Baptism by St John the Forerunner, He see' the Spirit of God descend as a dove and alighting upon Him. In the Gospel read at the Liturgy; Matt 3:13-17, God the the Father offers love by announcing "This is my Beloved Son in whom I am well pleased"

With this, the Trinity is made manifest. The great mystery and foundation of our faith.
